

# Annual Report

## 2023-2024

## **Annual Report** **2023-2024**

As we reflect on the past year, we are proud to share the impactful work that EQUAL has accomplished. Despite the ongoing challenges in Lebanon, our commitment to empowering visually impaired(VI) individuals, raising awareness, supporting vulnerable populations, and strengthening our organization has remained unwavering.

## Empowering Visually Impaired Individuals

We're opening doors to education and employment through computer literacy training while supporting VI-led businesses for greater independence. Plus, with LMTA and Crosstalk, we're making inclusion a reality through outdoor adventures that foster connection and well-being!

## OUR PARTNERS

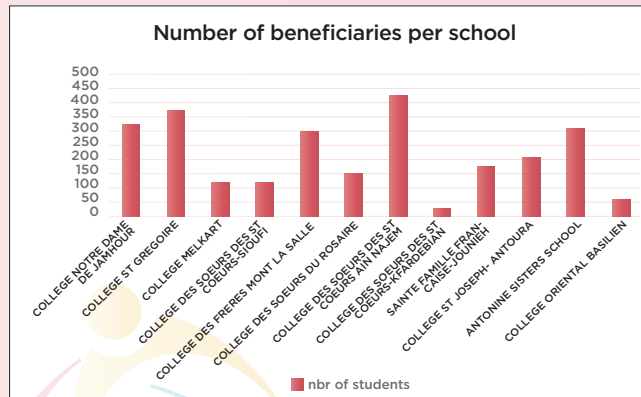

**Awareness Program in Schools**

**OUR MAIN DONOR**

**ONE WORLD**

For the third year, we engaged schools in Beirut, Kesrouane, and Mount Lebanon to educate students on the lives and challenges of visually impaired individuals. Additionally, we trained Himaya volunteers in Tripoli and Bekaa, equipping them to provide better support for the VI community.

# Emergency Assistance Amidst the Lebanese war

We provided in kind assistance, including food, hygiene products, and essential supplies, to visually impaired individuals affected by the crisis as well as for displaced families that relocated in Beirut, Metn and Kessrouane areas.

## Fundraising to sustain EQUAL's Mission

We organized various fundraising activities, including community events and donor outreach initiatives. Despite economic hardships, our supporters continue to stand with us, ensuring the continuity of our mission.

## Looking Ahead

As we move forward, we remain committed to expanding our impact, strengthening our partnerships, and advocating for a more inclusive society. None of this would be possible without your unwavering support. We invite you to continue this journey with us in the coming year. With gratitude,  
**The EQUAL Team.**

## OUR PARTNERS

**Unvaluable Regular Donors**

**Thank you!**
